GENERAL MEMBERSHIP MEETING – THURSDAY

The General Membership Meeting which will be held this Thursday will be a members only meeting and will feature a discussion on the candidates in the upcoming election with a decision to be made by the membership as to whether the Association should recommend to it members particular candidates, and who those candidates should be. Given the multitude of issues facing the building industry at this time, the outcome of this election is of vital importance to the building industry in the County. Attached is a registration flyer for the meeting. Please consider joining us for dinner and the discursion.
